

TOP SECRET

Deputy Director's Staff Meeting

Monday, 22 January 1951

25X1

Mr. [] reported that requests for material to support estimates had been received from JIG. He recommended that they be referred to O/RR and State and that JIG be informed, and that the IAC also be informed of our research capabilities.

25X1

Mr. [] asked the status of obtaining JIG and JCS papers. Mr. Jackson said that the Director planned to see General Bradley this week and that that would be one of the subjects of discussion.

25X1

Mr. Jackson inquired as to the status of the instructions for []. He was informed that these have now been concurred in by everybody and were ready for submission to the Director.

25X1

Mr. Dulles reported it was necessary to clarify the mission of [].

Mr. Reber reported that he had been holding meetings on the "Daily" and that O/CI planned to start dry runs this week.
